Warszawa, November 24, 2022

The online delio supermarket extends the delivery area in the morning to Łódź and surrounding towns.

The online delio supermarket has launched its new delivery model for the morning in and around Łódź. As part of this functionality, Lite e-Commerce guarantees that purchases will reach customers before 08:00 in the morning. This is another significant step in the development of the startup.

delio has been available in Poland since February this year. During this time, the online supermarket first opened to the residents of Warsaw, and then Konstancin and Piaseczno. As the next ones, the residents of Kraków and Gdańsk started to use the services of the online store. Thanks to the morning delivery model, delio is also present in many smaller and larger towns throughout Poland. More recently, this functionality is also available to residents of Łódź, which means the expansion of delio to the eighth consecutive province.

Importantly, the extended range includes not only Łódź, but also numerous towns in the immediate vicinity. Shopping with delivery in the morning can also be enjoyed by residents of Zgierz, Aleksandrów, Konstantynów Łódzki, or Rąbień. To find out if the new functionality includes our place of residence, just enter the address in the top left corner of the online supermarket page or mark it with a pin on the map in the delio application.

How does the delivery model work in the morning?

You can place an order at any time via the website or in a dedicated application. The courier will deliver your purchases on working days (including Saturdays) from 02:00 a.m. to 08:00 a.m. (if your order is placed by noon) or the next morning (if you order after noon).

In the new model of delivery, 4 thousand products await customers, including vegetables, fruits, dairy products, as well as household chemicals. The online supermarket is working on expanding its offer, thanks to which all the necessary products will soon be available in its range. Products of both small, local producers and nationwide brands.

Cheaper purchases with discount codes from delio

Customers will receive a special code "MORNING" (remember the capital letters), thanks to which they can activate discount coupons with a total value of PLN 450. To activate the promotion, it is enough that the value of the ordered products will exceed PLN 100. After

entering the code we will automatically receive a PLN 30 discount. Each user has a total of 15 codes. The campaign runs until the end of the year and the Terms & Conditions are available at delio.com.pl.

Orders can be made at: **www.delio.com.pl** and in the mobile app available on the App Store and Google Play.
