
Tomasz Suchański named the winner of Hermes Handlowy in the Personality of FMCG Sector category

Tomasz Suchański, President of the Management Board of the Żabka Group, was a winner of Hermes Handlowy in the Personality of FMCG category. This is an award granted by the monthly magazine "Poradnik Handlowca" to outstanding representatives of the FMCG industry in Poland.

The award to Tomasz Suchański coincided with the commemoration of the 25th anniversary of the Żabka chain of stores. Żabka is a leader in convenience - for 25 years it has participated in the construction of this sector in Poland, being close to customers and their needs. The mission of Żabka is to simplify life for customers and offer them convenient, comprehensive solutions. The chain already works with more than 8 000 franchisees, supporting entrepreneurship and creating more than 56 000 jobs.

The President of the Management Board of Żabka Group received the statuette during the ceremonial Gala, which took place during the 23rd Spring National Meeting of the Leading Figures of FMCG and HoReCa World in Poznań. The conference was attended by leading representatives of the FMCG world: top managers of foreign and domestic producers, CEOs and members of the management of retail chains, representatives of wholesale distributors, and CEOs of trade organizations.

As the organizers of the competition emphasize, the mission of the "Poradnik Handlowca" and „Poradnik Restauratora” has been for years supporting independent traders and restaurateurs, as well as distinguishing those who by their attitude give an example to others, achieving not only sales successes in trade or catering, but also realizing extremely important social and ethical missions.
